# Mobile Mould Hostel

*Efficiency & Hygiene of your mould storage*

With our new Mould Hostel, we bring you a safe, stable and well-ventilated system for the storage of your mould sets. This specially developed shelving system is the perfect solution for well-organised and secure storage of your moulds. Customized spacing between the shelves ensures that the moulds are well-ventilated from all sides, allowing moisture to dry off faster and to provide hygienic conditions.

**Tightly welded frame  
avoids water residues**

**Transportable & wheels**

**Corrosion - resistant  
and hygienic**

**Protective cover available  
dust-free storing**

**Guide rails  
with drainholes**

**Customized  
available**

**Protected storage moulds  
inside of frame**
